DomArtStyl - MANUFACTURER OF UPHOLSTERED FURNITURE

For over ten years we have been producing upholstered furniture which unique style and high quality delight customers from Poland and all over Europe. Our company is co-created by the people with passion focusing on reliability, originality and durability of workmanship. We offer furniture in various styles, thank to which they reach the most demanding customers. We offer over 400 models of chairs, armchairs, bar stools, benches, poufs, sofas, furniture for kids and for pets.

We have a fully modernized plant equipped with the highest technology machines. Our furniture has solid constructions made of beech or oak wood and are hand-finished. We use durable and easy to maintain fabrics, high density foams, springs and fiberglass, that is why they meet the highest European standards.

We cooperate with interior architects, designers and furniture stores. We constantly follow changeable trends and we are open to innovations. Therefore, we can produce highly exclusive products and create your dream furniture collection that suits even the most sophisticated tastes and expectations.
