This season everything feels softer and rounder.

We present a collection of beautiful products matching elegance and comfort with fine quality.
Our new products focus on contemporary design and warm textural materials.
The new mood for this season is nature and handcraft.

20 Years of Experience in Furniture Manufacturing.

We own our factory in Poland, giving us full control over the production process and eliminating delays typical of outsourcing.

As a family business, we care about every detail and build long-term relationships with business partners.
